Welcome to DaSilva Dental!

Thank you for choosing DaSilva Dental for your dental care. We are excited to welcome you to our office and look forward to helping you achieve and maintain a healthy smile.

To help make your first visit as smooth and efficient as possible please review the following important information:

### **Insurance & Financial Policy**

We are proud to be in-network with most PPO insurance plans. We will handle filing claims with your insurance company. Please note, payment is due at the time of service for all out-of-pocket costs, including co-pays, deductibles, and any services not covered by your insurance plan.

If you are scheduled for treatment and would like to know what your insurance might cover in advance, we are happy to submit a pre-determination request on your behalf. While this is not a guarantee of payment, it can provide a helpful estimate of your out-of-pocket cost.

### **Previous Records & X-rays**

To help reduce unnecessary costs and ensure continuity of care, we kindly ask that you complete and return a **Records Release Authorization Form** before your scheduled appointment. This will allow us to request your most recent X-rays and records from your previous dental provider, avoiding duplicate imaging and additional charges.

### **What to Bring to Your Appointment**

- A valid photo ID
- Your dental insurance card/information
- Completed new patient forms (if not returned to the office prior to your appointment)
- Record release form (if not returned to the office prior to your appointment)

If you have any questions or need assistance with paperwork, please don't hesitate to contact our office at 860-627-5232 or office@dasilvadental.com.

We look forward to meeting you soon and thank you again for choosing DaSilva Dental!
